

COMPONENTA

QUALITY, ENVIRONMENTAL AND HEALTH & SAFETY CERTIFICATES IN PRODUCTION UNITS

Componenta's production units all have third party certified quality and environmental management systems.

Depending on customer requirements the quality system conforms to either ISO 9001 or IATF 16949 standards and the environmental management system to ISO 14001.

In addition, Componenta's iron foundries, Pori and Karkkila in Finland, have a certified Occupational Health and Safety Management System OHSAS 18001.

| PRODUCTION UNIT | PROCESS | ISO 9001 | IATF 16949 | ISO 14001 | OHSAS 18001 |
|--------------------|--------------|----------|------------|-----------|-------------|
| Karkkila, Finland | iron casting | x | x | x | x |
| Pori, Finland | iron casting | x | x | x | x |
| Främmostad, Sweden | machining | x | x | x | - |
